

DOCTOR WHO

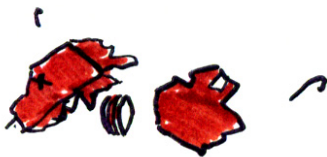

DAVID WITTEVEER

When I was 7,
I made a k-q
out of cardboard

My friend Adam,
tore it up when I
took it to school

I loved Doctor Who.

Tom Baker was
very much my
Doctor.

I stopped watching
when Peter Davidson
took over.

He was a vet from
All creatures Great
and Small, not
the Doctor.

I'd well and truly
stopped watching
by the time the
show was cancelled.

It was in my past.
I had other interests.

... and then the show
came back
